(12th & 13th March, 2019)

ABOUT GANGADHAR MEHER UNIVERSITY

Established in 1944 as Sambalpur College, the name of the institution was changed to Gangadhar Meher College in 1949 after the name of the illustrious Oriya poet (Gangadhar Meher). In 1991 the colleges was awarded with the status of an Autonomous College and managed and controlled by statutory and non-statutory bodies as prescribed by the University Grants Commission.

In the year 2015 the college was awarded with 'A' grade by the NAAC, and subsequently was accorded with unitary University status by the Govt. of Odisha. It is situated in the tribal dominated part of Odisha and strives hard for excellence in its way to fulfill its goals and missions since then. Basically, it aims at educating weaker sections, which constitute more than half of the population of the western part of Odisha. From small student strength of 192 in 1944, the institution has made rapid strides over the period of time and has grown into a multi-faculty Post-Graduate University, catering to the needs of about 5500 students. It provides teaching faculties in 20 P.G. Programs, 20 U.G. Courses, 19 M. Phil. Programs, 05 Self-Financing Courses, Ph.D. Programs in 10 major schools with many others Ph.D./M. Phil./ PG/ UG courses/ Programs in the pipeline.

ABOUT THE SCHOOL OF INTEGRATED B. Ed.

The GMU took the lead and started the 4 years integrated B. Sc. and B.A. B.Ed. Programs on self financing mode since 2016. These courses are being run with the approval from the Govt. of Odisha as per the latest NCTE norms. Both these courses have a sanctioned strength of 50 seats each. The faculties of the school are striving hard for maintaining quality and fulfilling the goals towards excellence. Presently Dr. (Smt.) Rajashree Baral, Associate Professor of Education is the in-charged coordinator of the program, under whose supervision this program is being monitored.

ABOUT THE SEMINAR

In this 21st century there is a shift in the purpose of teaching and learning from acquisition of knowledge to the construction of knowledge, where teachers and teaching at all levels of education have a pivotal role to play in enhancing quality leading to excellence. The

post independent India has witnessed a huge expansion of educational institutions right from the pre-primary to the tertiary level. The socio-economic landscape in the country has undergone a change. There has been a significant rise in awareness about education and increasing literacy levels. The cry for quality in education can be heard far and wide. The society today demands accountability and experts, effective teachers who can keep pace with the rapidly changing educational trends as a result of globalization and knowledge explosion. However, educational productivity is the need of the hour, therefore we need to create generations of learners who have the skills of the 21st century. Most truly speaking, teacher education is the most important vehicle to ensure the quality of school education. The revitalization and strengthening of the teacher education system is a powerful means for the upliftment of educational standards in the country. As there are many issues and challenges in teaching and teacher education, there is the need of urgent attention for improving the quality of teacher education program, which is possible with the innovations in teaching and teacher education program to a great extent.
