on

Role of Intellectual Property in Creating Innovation Ecosystem for Growth

Organized

by

**School of Physics
Gangadhar Meher University
Amruta Vihar, Sambalpur
Odisha, India-768004**

About the University

Gangadhar Meher University, Sambalpur is a unitary state government university that came into existence in 2015 by upgradation of erstwhile Gangadhar Meher (Auto.) College. The University provides UG, PG, M. Phil and Ph.D. programme in 20 Schools across Science, Arts, Commerce and management disciplines. School of Physics was established to promote teaching and research in the field of Material Science, Applied Optics, Electronics, Theoretical Physics, etc.

About the Webinar

This webinar series will create platform and scope for researchers, faculties, students in academics and industry persons to gain expertise of patent writing/filing, protecting their intellectual inventions. This series will also create an insightful forum for discussion of intellectual property developments and their applications/technology transfer to industry. Participants can also get suitable motivation to be contributors in society through their inherent intellectual property.
