Please Note:

1. Join the organization after a detailed background search of the company/job profile. If required, ask the HR persons of the company during the interview/before joining.
2. As the Coordinators we are just making the coordination between company and students. We are not representing any company.
3. All the selected students should definitely send/forward the softcopy of appointment letter to placement@gmuniversity.ac.in within 7 days of receiving it from the company for the office record of Career Development Cell (CDC) of GMU.
4. Once you are joining a company, do not leave it within a very short time. By doing so very often the CDC is finding difficulty to place the more needy students of other batches in that company.
