NOTICE

Date: 01.12.2023

Dear Students,

Greetings of the day. It is my pleasure to inform you that **HCL Technology** has some placement opening for **+3 Science and Commerce Students (1st year & 2nd Year) & for IT(1st year & 2nd Year) students**. Detail of these opening are given in the Annexure. Those who are interested can register through the following link.

<https://forms.gle/yJZAUqdGaUWxqGAY7>

Dead line of Registration : 03. 12. 2023

Date of Interview : 08.12.2023

Please carefully read the instruction given in the google form while filling it

Specific note:

- *The above Google form has been created by CDC, GM University. It has Three Sections. The first and second sections are for the record of CDC, GM University. The third section contains the google form link provided by the company. Fill that form and submit it. After submitting that submit the CDC google form to complete the registration process.*
- *The exact venue/time of the interview will be notified through the registered email after 03.12.2023.*
- *Outside GM University students can also apply*

General Note:

1. Join the organization after a detailed background search of the company/job profile. If required, ask the HR persons of the company during the interview/before joining.
2. As the Coordinators we are just making the coordination between company and students. We are not representing any company.
3. All the selected students should definitely send/forward the softcopy of appointment letter to placement@gmuniversity.ac.in within 7 days of receiving it from the company for the office record of Career Development Cell (CDC) of GMU.
4. Once you are joining a company, do not leave it within a very short time. By doing so very often the CDC is finding difficulty to place the more needy students of other batches in that company.
5. Before leaving any company try your best to give the best service so they will ever remember you cheerfully/gracefully.

With best wishes,

-sd-

Dear Sir,

Greetings from HCL Technologies!

At the outset let me thank you for giving us the opportunity to meet you and put forward our job and career opportunity program for **Class XII 2024(science & Commers) batch students , +3 science and Commerce Students (1st year & 2nd Year) & for IT(1st year & 2nd Year) students** . As discussed, please allow us to conduct a seminar & 1st Round of selection process(Assessment)for said students on **8th December 2023** at your campus.

Details Given Below :

HCL, India's leading IT Company is planning to provide employment opportunities through the HCL Tech BEE program for deserving candidates who have completed XII standard in 2022/2023/ 2024. More than 7500 students have been skilled through this program and employed in HCL. The candidates undergo a 12-month skilling program including an internship, they are entitled to Rs. 10,000/month stipend during their internship. After successful completion of the training the candidates are employed with HCL and they will have to pursue their higher education in B.Sc Design & Computing(**integrated MTech**) from **BITS Pilani, DATA science from IIT Guwahati, IIM Nagpur, IIT Kottayam or BCA from Shastra and Amity University. HCL funds the fee partially.**

We are strongly committed to nation-building through skilling and employment of youth. Our HCL Tech BEE program will surely make youth confident and financially independent, and at the same time take responsibility for their own future.

The enrolment and examination process is ongoing. We would like to reach out to deserving students and their parents for giving them an opportunity to join this program. In this regard, we request you to support us with Organising a seminar / Career counselling.
