FOREWORD

The University Grants Commission has decided to do away with the annual examination system and adopt the Semester System in all Colleges and Universities during the 11th Five-Year-Plan. By this, the students will be evaluated by a continuous internal process. It gives the student an advantage of quick learns and fear of examination is obliterated. The Department of Higher Education, Government of Odisha in its letter no. HE-UM-1/06 (Pt) 33388/01.09.2006 has proposed to introduce the Semester System in all autonomous colleges from the academic session, 2011-2012. Our college implemented this system at both UG and PG level from 2008-09 sessions. The courses have been thoroughly revised basing on the present needs of the society. At the M. Phil. level, the students are being evaluated on a scale of Grades instead of marks while the Syllabi are under Course Credit System.

I hope, the students will immensely benefit from the present Semester System of Examination.
