MESSAGE

Gangadhar Meher University, formerly Sambalpur College and Gangadhar Meher (Autonomous) College that came into existence in 2015 has fulfilled long aspirations for higher learning in this part of the State. It is heartening that the University forges its future with new initiatives and programmes. I would like to urge upon the University to strive hard to make transformative impact on students, faculty, industry and society by focusing on research endeavours, student engagement, professional training, faculty development, international collaborations, progress towards a state-of-the-art campus, industry partnerships, etc. I send my best wishes to students, faculty, staff and other stakeholders of the University.

I wish the University all success.
