NOTICE

Date: 19.08.2023

Dear Students,

Greetings of the day. As per the information I received in my email, Shell & HCL are doing the off campus hiring process. Please go through the main content of their email/links for the detail and take necessary action.

-
1. Shell is hiring with its Assessed Internship Program (2025 batch).
 2. HCL is hiring for the role of Graduate Engineer Trainee (2021, 2022 & 2023 batch)

Check the eligibility criteria and registration details before applying here: https://bit.ly/Shell_HCL_Hiring

Important: We only share you exclusive drives via e-mail but some other drives are live over our LinkedIn & Instagram handles only, hence do ask your students to follow us over Instagram to get notified for those hiring Drive Updates.

For 2026 Batch: <https://www.instagram.com/prepinsta.2026/>

.....

Please Note:

1. Join the organization after a detailed background search of the company/job profile. If required, ask the HR persons of the company during the interview/before joining.
2. As the Coordinators of GMU we are just making the coordination between company and students. We are not representing any company.
3. All the selected students should definitely send/forward the softcopy of appointment letter to placement@gmuniversity.ac.in within 7 days of receiving it from the company for the office record of Career Development Cell (CDC) of GMU.
4. Once you are joining a company, do not leave it within a very short time. By doing so very often the CDC is finding difficulty to place the more needy students of other batches in that company.
5. Before leaving any company try your best to give the best service so they will ever remember you cheerfully/gracefully.

With best wishes,

-sd-
