RESOLUTION

Subject: Guidelines for Financial Assistance Scheme under Mukhyamantri Medhabi Chatra Protshan Yojana (MMCPY) for (A) meritorious ST and SC students prosecuting higher study in National Level Institutes/ State Government run Medical & Engineering Institutes (B) One time financial assistance to ST/SC students from economically deprived backgrounds pursuing general (+3) degree course in any Government Institution within the State.

Title of the Scheme:

The scheme shall be known as **"Financial Assistance Scheme under Mukhyamantri Medhabi Chatra Protshan Yojna (MMCPY) for ST and SC students for Higher Education"**

Objective:

The objective of the scheme is to

a. Recognize and promote meritorious Scheduled Tribe/ Scheduled Caste students for completing their education in National Level Institutes/ State Government run Medical & Engineering Institutes by providing financial assistance from state budget.

b. Provide one time financial assistance to needy ST/ SC students from economically deprived backgrounds pursuing general (+3) degree course in any Government Institution within the State on case to case basis.

Background:

Education is the strongest medium for empowerment of any community and more so for historically deprived Scheduled Tribe & Scheduled Caste communities. Importance of education as a means of advancement of capacity, well-being and opportunity for these disadvantaged communities is uncontested. Thus, improving educational status of scheduled tribe and scheduled caste

communities had been the topmost priority in policy planning and development efforts of the State Government.

While ST & SC Development, M & BCW Department is implementing usual Post-Matric Scholarship Scheme, the entire application and sanctioning process takes its due time. Further, amount admissible under Post-matric scholarship is limited as per approved capping of fees & maintenance allowance for different courses which many a times remain short of actual requirement by the students to meet the urgent requirement of securing admission to the course and completion of the course. There were instances in past where very needy ST/SC students faced difficulty for arranging even the basic minimum amount to secure admission with their limited financial resources. These apart, students have to incur other incidental expenses for study like purchase of books/study materials, coaching/ tutorial expenses which is not covered under Post-matric scholarship amount. In such situations, ST/ SC students from economically deprived backgrounds face hardship in realising their dream of higher education and better future.

In order to help such needy and meritorious ST/ SC students, Government of Odisha will extend financial assistance from state budget under *"Financial Assistance to Students pursuing studies in National Level Institutes/ Colleges and State Level Govt. Institutes/ Colleges"* to eligible ST/ SC students in (a) National Level Institutes/ State Government run Medical & Engineering Institutes and (b) needy ST/ SC students from economically deprived backgrounds pursuing general (+3) degree course in any Government Institution within the State. The scheme would benefit ST/SC students to take admission and complete their general/ professional/ technical course and would contribute to higher educational attainment among them.

Scheme Details:
