Agenda: Orientation Programme of field investigator of OCGG

Discussion and Resolution:

- PI, Co-PIs and Research staff of the center gave orientation to newly appointed field investigators on regarding field work, how to collect information from the field area and discuss on survey questionnaire. Field investigators are Umakanta Podh, Pratap Mahananda and Jyoti Kumari Gupta, who joined the orientation programme. During the orientation, following issues has been discussed;
 - a) It was suggested that the field investigator will choose the village sample from the selected 100 village list of the blocks of Sambalpur district.
 - b) Dr. Pradosh Kumar Acharya (on special invitation) discussed the questionnaire and share his experience how to collect data from the rural areas.
 - c) Questions related to the psychological and the sleep quality was also discussed in detail. Research Associate and Research Assistant discussed the socio-economic part of the questionnaire and share their experience with the field investigators how they have collected the data and challenges they faced.
 - d) Each question of survey questionnaire was discussed with field investigators. Job Chart, Village list of the Study area has been discussed and shared with field investigators. It was decided to start the field work by field investigators immediate with Research staff of the Centre. Research Staff of the centre will go to the field visit with field investigator and show them how to collect the information and train them to collect information from the study area.
