**Sub: Offer of Appointment**

Sir,

On the recommendation of the Selection Committee, constituted for recruitment of the faculty of Philosophy in the School of Social Sciences of Ravenshaw University, your appointment has been approved as **Lecturer in Philosophy** in Ravenshaw University, Cuttack, in the revised scale of Rs.15600-39100 with an academic grade pay of Rs.6000 and admissible allowances, as per the State Government's Revised Scale of Pay for University Teachers (UGC Scale of Pay) Rules, 2010, on the following terms and conditions:

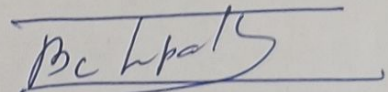

- (i) Your salary will be determined on the basis of the principle of pay protection, with reference to UGC pay scales prevailing in the country. You will, in addition, be entitled to revision of scale and allowances as admissible from time to time. Based on academic achievements, four (04) increments will be given to you.
- (ii) The post is permanent. However, you will be on probation for a period of two years from the date of joining and confirmed on satisfactory completion of the probation.
- (iii) During probation, the services are liable to termination with one month notice given by either side in writing, without assigning any reason thereof.
- (iv) Unsatisfactory performance during probation may lead to extension of probation period.
- (v) After confirmation, the condition for termination will be three months notice in writing given by either side.

- (vi) Leave rules, service conditions and retirement benefits will be governed by the Act and Statutes of the University and any other rule framed there under from time to time.
- (vii) You will be required to do teaching and research work, and such other work, both academic and administrative in nature, as may be assigned to you by the University from time to time.
- (viii) You will not engage yourself in any other activity outside the Ravenshaw University and accept any financial benefit without the permission of the authority.
- (ix) If you are already in service, you are required to produce relieving order from your employer at the time of joining the University.
- (x) The appointment is subject to your medical fitness which is required to be certified by any government medical practitioner.

You were selected for appointment in the meeting of the Selection Committee held on 11 April 2013. The Executive Council has delegated the Vice Chancellor, Ravenshaw University, the power to issue appointment letters to the selected candidates.

You are requested to submit the joining report to the Registrar of the University within one month from the date of issue of this letter pending which the appointment order will stand cancelled.

Yours sincerely,

(Baishnab C. Tripathy)

**Sub: Offer of Appointment**

Sir,

On the recommendation of the Selection Committee, constituted for recruitment of contractual faculty in the School of Social Sciences of the Ravenshaw University, your appointment has been approved on contractual basis for a period of one year from the date of joining, as Lecturer in the Department of Philosophy, with a consolidated pay, which will be determined with reference to the State Government's Revised Scale of Pay for University Teachers (UGC Scale of Pay) Rules, 2010, on the following terms and conditions:

- (i) Your appointment, although made against a sanctioned post, is contractual in nature and can be terminated with one month notice given by either side in writing, without assigning any reason.
- (ii) Leave rules, service conditions and retirement benefits will be governed by the Act and Statutes of the University and any other rule framed there under from time to time.
- (iii) You will be required to do teaching and research work, and such other work, both academic and administrative in nature, as may be assigned to you from time to time.
- (iv) You will not engage in any other activity outside the Ravenshaw University and accept any financial benefit without the permission of the authority.
- (v) If you are already in service, you are required to produce release order from your employer at the time of joining the University.
- (vi) The appointment is subject to your medical fitness which is required to be certified by any government medical practitioner.

The Executive Council in its meeting on 26 November 2009 has delegated the Vice Chancellor, Ravenshaw University the power to issue appointment letters to the selected candidates after the proceedings of the Selection Committee are signed.

You are requested to submit the joining report to the Registrar of the University as early as possible, but not later than 15 days from the date of issue of this letter.

Please communicate your acceptance to the Registrar, Ravenshaw University with a copy to the undersigned.

Yours sincerely,

  
(Devdas Chhotray)

Office Order No. 793/GMU

Date: 25 January 2020

In exercise of the powers vested under Section 21 (2) of the Orissa University Act, 1989 and in pursuance to the Syndicate Resolution No. XV; dated 16th July 2019, PRANATI PUROHIT [ASST-PHY-002-2019-0156] is appointed as Assistant Professor in the School of Physics, Gangadhar Meher University, Sambalpur, Odisha, temporarily in the pre-revised Scale of Pay Rs. 15600- 39100 + AGP Rs. 6000/- with usual allowances as admissible from time to time.

He/She will be on probation for a period of two years in the first instance from the date of joining. His/Her services may be terminated with one month notice from either side during the period of probation.

He/She is requested to join the post within one month from the date of issue of this order, failing which the appointment shall be treated as cancelled.

No TA/DA shall be paid for joining the post.

## Experience certificate for Dr. Susanta Kumar Das

This is to certify that Dr. Susanta Kumar Das was working in the capacity of Senior Lecturer in Physics and Electronics at National Institute of Science and Technology (NIST), Berhampur in the period 4<sup>th</sup> January 1999 to 22<sup>nd</sup> July 2003. This institute is affiliated to Biju Patnaik Technical University, Orissa, India. This institute offers various undergraduate and postgraduate degree course in the disciplines of Electrical Engineering, Electronics and Telecommunication Engineering, Instrumentation Engineerin, Computer Science and Information Technology.

From the day of his joining Mr. Susanta had taken up his duty with immense zeal. During his tenure, he taught various hard core undergraduate engineering subjects like Physics Part-II (Modern Physics) (2<sup>nd</sup> semester, common subject to all branches), Semiconductor Physics and Device (3<sup>rd</sup> Semester, common subject to all branches), Electromagnetic Theory (5<sup>th</sup> Semester, Electronics and Electrical Engineering, Electronics and Telecommunication Engineering), Light Wave Technology (5<sup>th</sup> Semester, Electronics and Telecommunication Engineering) and Transducer Technology (4<sup>th</sup> Semester, Electronics and Telecommunication Engineering) etc. He also taught the advance level elective courses like VLSI (Semiconductor) Technology and VLSI Design to the 7<sup>th</sup> and 8<sup>th</sup> Semester students (open to all branches). He also had taken various placement oriented courses in Electronic Design Automation like Tannner, Xilinx , PSpice and programming in VHDL etc.

We have a scheme of student evaluation of the instructors for all courses. In this evaluation he had consistently scored above 9 points on the scale of 10, which put him among the best instructor of our institute. Mr. Das was also the integral part of our VLSI research and

development group. Under this work, he assisted me in establishing two pioneer Electronic Design Laboratories. The first one is at our parent institute at Berhampur, Orissa and the second one was at NIST Center of Excellence at Bhubaneswar, Orissa. In the later part of his work at NIST, he was the sole in-charge of this center. He was a great team worker and got along with his peers very well. He was very well known for his mature outlook towards life among his friends.

Mr. Das was a self starter in every way. He was constantly striving to take an active part in administrative responsibility of the institute and always keeping an eye out towards ideas for improving institute's functioning. He is an asset to any organization he chooses to work for. Please feel free to contact me if you need any further information about Dr. Das's tenure at our institute. We wish him all the best in all his future endeavors.

### Certificate for Dr. Susanta Kumar Das

Dr. Susanta Kumar Das, born on January 5, 1972, has been working as a postdoctoral researcher at the Max Born Institute for Nonlinear Optics and Short Pulse Spectroscopy (MBI), Berlin, Germany, from August 16, 2007 until August 15, 2013.

MBI conducts basic research in the field of nonlinear optics and ultrafast dynamics of the interaction of light with matter and pursues applications that emerge from this research. It develops and uses ultrafast and ultra-intense lasers and laser-driven short-pulse light sources in a broad spectral range in combination with methods of nonlinear spectroscopy.

During his stay, Dr. Das developed a significant experience in the technical supervision of projects and students. He exhibited a large degree of independence and responsibility in planning and performing experiments, publishing scientific work and in preparing research proposals, as detailed below:

1. Engagement in research projects, including dissemination by publication in international peer-reviewed journals and presentation at international conferences
  - Project "*Spatially resolved nonlinear autocorrelation of ultrashort laser pulses with microoptical matrix processors*", period 2007-2009, funded by the Deutsche Forschungsgemeinschaft (DFG), German Science Foundation, amount 133k€.
  - DFG project "*Ultrashort-pulse laser-induced nanostructuring of nonlinear materials*", period 2009-2011, amount 150 k€).
2. Proposal preparation and coordination
  - Extension of the above mentioned project, period 2011-2013, amount: 200k€.
  - LaserLab Europe project "*Ultrafast and correlated carrier energetics and dynamics in highly excited nanomaterials*", period 2013-2014, amount: 10 k€. Research partners: E. McGlynn (Dublin City University, Ireland), F. Güell (University of Barcelona, Spain).
  - LaserLab Europe project "*Nonlinear Excitation of Tailored Nanostructured Materials*", period 2011-2012, amount 13k€.
3. Publications from work at MBI
  - 12 papers in international peer-reviewed journals.
  - 43 papers in proceedings of international conferences.
4. Supervision of students
  - Together with Dr. Grunwald, Dr. Das supervised 4 Masters of Engineering, 2 Bachelor of Engineering and 2 DAAD foreign exchange summer training students.
5. Important infrastructure developments
  - Experimental setups for nonlinear optical and light-matter interaction studies.
  - Labview and C based GUI software for instrument control, data acquisition and analysis in THG interferometric autocorrelator-cum-FROG and 2-dimensional autocorrelator.

Dr. Das exhibits a very high degree of professional leadership that goes way beyond the skills of a usual postdoc at our institute. Dr. Das is extremely persistent in the pursuit of his research projects. With the performance he demonstrated in several separate research projects, we fully trust him to excel as a researcher, being able to acquire research grants, supervising students, as well as disseminating research results in international journal publications and on conferences.

I am confident that Dr. Das will continue to be very productive. He has my highest recommendation.
