The Scholarship Process Flow via the National Scholarship Portal and the Odisha State Scholarship Portal follows these steps:

The National Scholarship Portal and the Odisha State Scholarship Portal accept online applications from eligible students for various scholarship schemes once a year. After students submit their applications, universities verify those online in accordance with the guidelines of the respective scheme. Once verified, the applications are forwarded electronically to the respective department for further processing. After the concerned Ministry or Department finalizes the approved list, it becomes available on the portal, where universities can download it using their login credentials.
